1. On 21 January 1951, intensified patrol activity was observed in the zonal border sector of Gerstungen (L 51/H 63). Between 3 and 4 p.m., three sentry details of two men each and one sentry with a dog were seen patrolling the Autobahn near the Gerstungen railroad station. The same day, a Soviet biplane flew along the border at an altitude of about 200 meters. It followed the Autobahn towards Eisenach. *
2. On 21 January, no changes were observed with the Soviet border guard detachment and patrols in the border sector of the Oechsen (L 51/H 63) Grenzpolizei Kommandantur. **
3. A pear-shaped basket antenna, about 7 meters high, was being erected on the observation platform on top of the Soviet Kommandantura building in Gerstungen.
4. A baker who delivered bread to the estate in Muhl (L 52/H 87), said that the number of troops there had been reduced to 60, including one captain, two senior lieutenants, and four lieutenants.
